Sara Richardson, Building Principal
Michael Boykins, Asst. Principal & IB Director
Meghann Ewy, IB Counselor

Brian White, IB Co-Coordinator
Laurie McHenry, IB Co-Coordinator
Celeste Hutton, English teacher & College

International Baccalaureate Program

The IB experience is internationally recognized as one of the most rigorous college-preparatory curricula available, with over 5,400 IB world schools across the globe (www.ibo.org). East High IB students complete the pre-IB courses during freshmen and sophomore years and move forward junior and senior years with either the IB full diploma program track or the IB certificate track. IB full diploma candidates complete four-year programs in English, math, science, social studies, foreign language, and optional courses in music, theater arts, computer studies, or art. Full diploma candidates also complete a 4,000-word Extended Essay, participate in numerous community service projects, and complete a Theory of Knowledge course. Students earning the IB diploma and students completing IB exams on the certificate track may earn college credit and/or advanced standing. Students are accepted to the IB program through an application process held during the spring semester. The 2022 graduating class included 63 IB diploma candidates and 5 students selecting specific IB exams for the certificate program.
