

North High Golf 2019

Team Selection Process: All students interested in playing golf will have the opportunity to try out for the North High Golf Team. An optional spring conditioning will be offered to the players starting in January. Qualifying will be held the first week of practice, weather permitting. A cumulative score for two (2) nine hole rounds plus short game skills score will determine place, with the 12 low scores being automatically selected to the team. Tryouts will be played under the USGA Rules of Golf. Any player intentionally breaking those rules shall be disqualified from the team selection process. The coach also reserves the right to remove players based on conduct. The coach reserves the right to make team changes.

GWAL Tournaments: League Tournaments will be held Tuesday afternoons. Tournaments will start at 3:30pm at the scheduled golf course. The low six scores from qualifying will play varsity, with the next six low scores playing JV. The only players guaranteed a spot are the low three scores from the previous Varsity match. A JV player with a score better than a Varsity player may challenge that player the next qualifier. The low score will then take the Varsity spot for the next match. JV and Varsity will qualify on Thursdays (9 holes).

Tournament and Regional Teams: Tournament and Regional Tournament Teams will be selected by the 18 hole average established by each player during the season. The low 6 averages will represent North High in these tournaments.

Disciplinary Actions: Players ejected from a tournament or match under the USGA Rules of etiquette shall be suspended for the following match. Players suspended from school will not play in matches during the suspension plus one additional match. If there is no match involved in the suspension, then they will not play in the next match. The coach may elect to suspend a player for poor conduct on the course at any time. This would include cheating, throwing clubs, breaking equipment, or endangering other players. Golf is a game of integrity; any behavior contrary to this will not be tolerated.

Practice: All players are expected to be at practice every day unless arrangements have been made. Players notifying the coach 24 hrs prior to practice will be excused. Players missing practice due to missed rides or emergency will also be excused. Players skipping practice will be given one (1) warning. The second skipped practice will result in a one-match suspension. A coach-player-parent meeting will be required at the third missed practice. There will be **NO electronic devices** allowed during practice.

Emergency Action Plan: In the event of lightning, players will be removed from the course immediately. Parents may pick players up in the clubhouse.
