

Summer Golf Opportunities:

Kansas Junior Golf Association: The KJGA tournaments are competitive, these are ideal for players seeking to move to the next level. A GHIN number is required (Handicap). The first link below explains how the program works, the 2nd link is to the online entry. If you are interested let me know, we will figure out how to get you in.

The Wichita Junior Golf Foundation: This is the Monday morning Junior Golf Program offered at most of the city courses. Sign up is Monday, May 4th. Cost is \$20.00 for the entire summer, a great deal! Sim Park will begin sign up's at 6:00am, I would suggest being there at 6:00am. Some of the other courses will have people camping out the night before. Since everybody played High School Golf, you may sign up at any of the courses and do need to go through the beginner program.

The Wichita Junior Tour: The Junior Tour allows juniors ages 10-17 to learn a competitive atmosphere at an early age preparing them for high school golf and continuing to grow the game in our community.. We all must introduce golf to the juniors in our community at an early age to ensure the continuation of golf in Wichita. Players can visit <http://golfwichita.com/Pages/JuniorTour.aspx> . Entry Fees will be \$10.00 per event. (A very good price!)
