

# The CCC Connection

## SCHOLARSHIPS

The College Career Center (CCC) assists students in increasing their scholarship opportunities. This is accomplished by promoting various activities, such as volunteer work, that will help students improve their scholarship odds. The CCC also assists students in finding and applying for scholarships. The CCC emails seniors upcoming scholarship deadlines and posts them on Twitter. Additional scholarship and college opportunities can be found in the College Career Center located in room B6 at South High.

*Assistance League Scholarship winners pose for a picture after being recognized by the Board of Education. **Last year the Class of 2018 earned more than \$7.5 million in scholarships.***

## What can the College Career Center do for your student?

**C**OLLEGE  
The CCC is available to help students research and apply for colleges. It is never too early to start college research, so **the CCC welcomes 9th and 10th graders, as well as upperclassmen.** The CCC also hosts visits from colleges and helps students and parents to schedule visits to colleges. *On the left, students listen to a presentation at Washburn University.*

The CCC helps students to research careers via online resources, career fairs, and job shadow days. The CCC also helps students to find part time jobs (when available) and full time jobs for graduating seniors. *On the right, two students speak to Denise Hnytko about broadcast journalism at the South High Career Fair.*

## CAREER

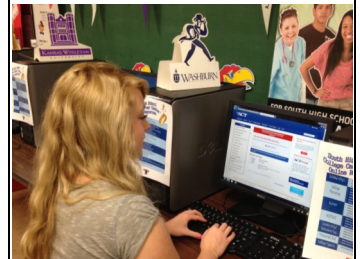

## LEADERSHIP

The CCC helps students to increase their chances of receiving scholarships by promoting leadership and volunteer activities. Students can go to the CCC to learn how to become more involved in their school and community. South High Student Leadership does over 900 hours of volunteering, organizes the turkey drive, and participates in a variety of community events.. *On the left, Student Leadership members pose for a picture at the USD 259 lettering ceremony.*

**Students can go to the CCC during lunch, after school, during Titan Time, or during the school day with a pass from their teacher.**

## ACT/SAT

The CCC assists students with registering and studying for the ACT or SAT test. These tests are used to determine admission and scholarships to college. Some students qualify for test fee waivers, which they can get in the CCC. This test is highly recommended for juniors who are thinking about going to college. *Above, a student registers for the ACT online at [www.act.org](http://www.act.org).*
