Entire page is double spaced

"Hanging indentation"—all lines after the 1st line are indented

Entries are alphabetized by author's last name or title

One inch margins on all sides

MLA Works Cited Components

- One inch margins
- Header in upper right hand corner ½ inch from the top of page: your last name and page number (Insert—Page Number—right hand side—type in your last name before the little page number already provided and hit the space bar)
- Title is at one inch from top of page and centered: Works Cited
- All the text should be the same font (Times New Roman, Calibri, or Arial) and size (11 or 12 point)
- Entries are alphabetized by author's last name or title if no author
- First line of each entry is left aligned; all other lines in an entry are indented (press Tab)
- Double space the entire page—no extra spaces in between entries or in between the title and first entry

****If your Works Cited page does not look like the one above (with the exception of the entries), then you didn't do it correctly! Use this as a guide!****
