Attendance Agreement

Student Name _____

Grade for 2019-2020 _____

Attendance is a vital part of your student's education per Board Policy 1461. The policy states "In compliance with requirements of the Kansas Compulsory School Attendance Law, reports shall be filled with appropriate authorities when a child is not enrolled in a public school or non-public school or when a child is enrolled in school and is inexcusably absent-TRUANT." Your child is considered inexcusably absent if they miss a substantial part of a school day for:

- 3 consecutive school days
- 5 days in a semester
- 7 school days in a school year

Your child's attendance will be reported as required by the Kansas Compulsory School Attendance Law. In addition, a doctor's note will be required to excuse students with more than 12 excused illness days or those absences will be marked unexcused.

We want your student to be at school every day. Our school goal is 90% attendance for all students. Meeting this goal or surpassing it will allow your student to participate in award activities each nine weeks.

Increased Attendance = Increased Knowledge for your student

I commit to being at school and meeting the goal of 90% attendance to increase my learning and connection to school. This means I will work on being at school on time and staying all day.
