Executive Reports

Principal's Report- Cindy Graves

- Last month we spoke about transitioning back to face to face and students switching models. Transition went smoothly.
- We are now getting ready for conferences at the end of the month. Signups for conferences are fully online. Conferences will be held virtually again.
- We are gearing up for a schoolwide Science event for a project to be completed in March. All F2F students and MSR students will be participating. We are currently planning a way to showcase work even without everyone entering building and ways to connect F2F to MSR.
- The church across the street will be hosting a blood drive on Monday, February 15th. We would love to encourage our families to come and join in on donating. Unfortunately, we will not be able to host a blood drive in our building this year.
- Students are sporting their new McLean gear. The sweaters and t-shirts are fun to see.
- We will potentially be having remote learning days in place of winter weather days. Our students and teachers are prepared to make the switch to remote synchronous learning, potentially this week.

President's Report- Ray Hall

- Nothing to report

Treasurer's Report- Janell Carr

- We got a few more checks from community partners. We received \$20 from Carousel Skate Center. We received \$84.90 from Box Tops. We also received another very generous donation from a McLean family that was donated and placed into the PTA account.
- We currently have \$2796 in checking and \$8164 in savings.
- Teachers have been updated on the amount left in their allocations.

Other Reports

Conference Food for Teachers- Janell Carr and Andrea Johnson

- Chipotle at 21st and Amidon is able to do catering for conferences. A survey will go out to staff to find out what they are wanting. We will submit the order at least 24 hours in advance.
- Andrea will have the sign up for families to donate snacks sent out soon. Cindy will follow up with a parentlink.

Book Fair-Ray Hall

- This year we are unable to have a book fair in the building. We will be working with Scholastic to host a virtual book fair where we will receive a portion of the proceeds. We will just need to get out information to families via social media and parentlinks. Families then will have about two weeks to submit orders and the orders will be shipped to them.
