Executive Reports

Principal's Report – Cindy Graves

This will be our last PTA meeting of the 2021-2022 school year. Thank you so much for sticking around. Teachers are so grateful for time spent helping out this school year. Teachers signed certificates in lieu of a volunteer appreciation luncheon. The last few weeks will be busy. Our field day will be this Friday. 3rd grade through 5th grade parents will be sent a log in to see student assessment data. Next year's enrollment will be July 25, 26, 27. Enrollment will be completely online, but you will be able to come into the building if needed. Enrollment will open prior to dates, but a final enrollment opening date has not been announced. Breakfast will still be served for free in classrooms. Lunches will return to free/reduced/paid. Parents will fill out paperwork as part of enrollment to determine their status. Our last OWLs workday for the year was Saturday, but we do need volunteers to assist with watering over the summer. Special thank you to Marla Barngrover for her assistance on the luncheon for teacher's appreciation week. Sungrano Pizza also gave a discount on food for the luncheon.
