

Progress Reports

If you have questions about your student's progress, please communicate with the teacher. We will hold family conferences in February, so don't wait with questions. We also post grades to ParentVue at least monthly, so you can check on progress along the way. The office can help you with logging onto ParentVue if needed.

Congratulations to Chloe, Samantha, Willow, and Malakai, the "Taco Nachos" who won the CTE Battle of the Books competition. They will represent our school in January at the district competition.

New Staff in Office

We welcome Nancy Rapp to our office team starting this week. Please make her feel welcome. Nancy is replacing Julie, who retired in December.

Congratulations to these students who were in the Running of the Longhorns for Compassion and Generosity
