INTRODUCTION

A Flexible Spending Account (FSA) is an employer-sponsored plan that lets you deduct dollars from your paycheck before they are taxed and put them into a special account.

FSA accounts are exempt from federal income taxes, Social Security (FICA) taxes and, in most cases, state income taxes. FSA participation will impact earnings reported to the Social Security Administration. In accordance with Internal Revenue Code Section 125, allowable premiums for health and dental insurance are currently taken on a pre-tax basis. The more money you put in, the more tax you avoid. When you use the money in your account to pay for out-of-pocket family care expenses, you avoid paying taxes on those dollars. Depending on your tax bracket, you will save at least 25% on out-of-pocket family care expenses.

Flexible Spending Accounts offer tax savings for your out-of-pocket medical expenses. Most people save at least 25% on each dollar that is set aside.

How does the FSA work?

When you enroll in the FSA plan, you estimate the amount of family care expenses you are sure you will incur during the plan year. You have that amount deducted from your paychecks in equal amounts throughout the year. Though your actual salary remains the same, your taxable salary as reported to the government is reduced by the amount you put into your FSA.

After you enroll in the FSA, ASIFlex will send you a confirmation of your enrollment to your home address. As you incur eligible expenses throughout the plan year, you submit a claim (by mobile app, online, fax or mail) along with documentation of the expense, and you are reimbursed with funds from your FSA account. You are not taxed on these reimbursements. After each claim, you will receive an account summary.

Federal rules state that you will only be able to be reimbursed for expenses you incur during the plan year, which runs from January 1 – December 31. All claims must be submitted on or before March 31st. IRS rules state that if you do not use the money in your account, any remaining unused funds will be forfeited to your employer. However, the IRS now allows an employer to allow a maximum of \$500 in the health care FSA to roll over to the following plan year. Wichita Public Schools has chosen to allow this rollover feature. So if you still have funds remaining in your health care FSA on December 31, up to \$500 will roll over to the following year for your use during that plan year. NOTE: This roll over feature is not available for the dependent care FSA.

You can only change your election during the plan year as a result of certain eligible event changes. Also, your Social Security benefits calculations will be based on your lower taxable earning figures. (You can check with your local Social Security office to explore any effect this may have on your benefits – which are usually very minor.)

The Wichita Public Schools Flexible Spending Plan has contracted with ASIFlex to perform certain administrative functions for the Plan. ASIFlex processes all claims for the Health Care Flexible Spending Account and the Dependent Care Flexible Spending Account. If you have any questions concerning claims, please contact ASIFlex, P. O. Box 6044, Columbia, MO 65205, 800-659-3035, email: asi@asiflex.com, or online at www.asiflex.com.

FREQUENTLY ASKED QUESTIONS

Q. WHAT IS THE WICHITA PUBLIC SCHOOLS FLEXIBLE SPENDING PLAN?

The Wichita Public Schools Flexible Spending Plan is a way to pay for certain out-of-pocket (unreimbursed) Medical Care expenses (Health Care Flexible Spending Account) and Dependent Care Expenses (Dependent Care Flexible Spending Account) on a **BEFORE-TAX** basis!

Q. WHAT DOES “BEFORE TAX” OR “PRE-TAX” MEAN?

Deductions through the Plan from your paycheck are exempt from federal and state income tax and Social Security tax. These deductions reduce your **taxable** income reported on your W-2 and on your income tax returns.

Q. WHO CAN PARTICIPATE IN THE WICHITA PUBLIC SCHOOLS FLEXIBLE SPENDING PLAN?

Permanent full time or part time employees may participate, provided that the election procedures are followed.

The following classes of employees cannot participate in the Wichita Public Schools Flexible Spending Plan:

- Leased employees (as defined by §414(n) of the Code);
- Contract workers and independent contractors;
- Temporary employees and casual employees (Employees hired short-term to meet specific needs of the Employer, as determined in the Employer's sole discretion); and
- Individuals paid by a temporary or other employment or staffing agency.

Q. WHY SHOULD I PARTICIPATE?

Paying for medical expenses through the Plan can save you as much as 25% - 40% in taxes on each dollar that you spend for your share of insurance deductibles, co-pays, or items not covered by insurance. Also, the Dependent Care Flexible Spending Account may save you more in taxes than the day-care tax credit (filed with your federal income tax return).

Q. IF I REDIRECT PART OF MY PAY, WON'T I MAKE LESS MONEY?

No. Your spendable income will increase by the amount of your tax savings.

Q. WHY SHOULD I PARTICIPATE IN THE HEALTH CARE FLEXIBLE SPENDING ACCOUNT IF I ALREADY HAVE MEDICAL INSURANCE?

The Health Care Flexible Spending Account offers a tax break on Medical Care Expenses NOT reimbursed by insurance. For example, the Health Care Flexible Spending Account will reimburse you for expenses for office visits, eye exams, glasses, drugs and medications used to treat medical conditions and hospital care that is not covered by Medical Insurance (e.g. co-payments).

Q. HOW MUCH DOES IT COST?

Administrative costs are paid by Wichita Public Schools for enrolled employees actively at work.

Q. WHAT IS THE CATCH?

No catch. Congress approved FSAs in 1978; the Tax Reform Act of 1986 reaffirmed their legitimacy.

Q. HOW MUCH WILL BE DEDUCTED FROM MY SALARY FOR THE BENEFITS I SELECT?

Your salary deduction amount for each pay period is an amount equal to your annual contribution for the benefits you elected, divided by the number of remaining paychecks in the Plan Year following your effective date. If you increase an election under the Health Care Flexible Spending Account or Dependent Care Flexible Spending Account Plan, your payroll deductions per pay period will be an amount equal to your new reimbursement limit elected less the payroll deductions made prior to this election change, divided by the number of paychecks remaining in the Plan Year, beginning with the election change effective date.

Any increase in your election may include only those expenses that are incurred on or after the effective date of the increase. Your coverage for the remaining period of the year shall be calculated by adding the amount of contributions made prior to the change to the expected contributions after the effective date of the change and subtracting prior reimbursements.

Q. WHEN CAN I MAKE A CHANGE IN MY ELECTION?

Generally your elections under the Plans are irrevocable for the Plan Year. However, during certain circumstances described below you may be allowed to change your election.

You may change your election if you, your spouse, or a dependent experience an event listed below which results in a gain or loss of eligibility for coverage under the Wichita Public Schools Flexible Spending Plan, or a similar plan maintained by your spouse's employer or one of your dependents' employers and your desired election change corresponds with that gain or loss of coverage.

Events 1 – 4 apply to the Health Care Flexible Spending Account and the Dependent Care Flexible Spending Account. When these events occur, a change may be made to your election.

1. Your legal marital status changes through marriage, divorce, death, legal separation or annulment.
2. Your number of dependents changes by reason of birth, adoption (or placement for adoption), or death. If your child no longer qualifies for dependent care because he or she turned 13, that is considered a loss of a dependent under the Dependent Care Flexible Spending Account Plan, but not under any of the other plans.
3. You, your spouse, or any of your dependents have a change in employment status that affects eligibility under the Wichita Public Schools Flexible Spending Plan or a plan maintained by your spouse or any dependent's employer. If you terminate or take a leave of absence from Wichita Public Schools, you must be gone at least 31 days for termination or leave of absence to qualify.
4. One of your dependents satisfies or ceases to satisfy the requirements for coverage under the Wichita Public Schools's Plan for unmarried dependents due to attainment of age, student status or any similar circumstances.

Events 5 - 7 apply to the Health Care Flexible Spending Account but not the Dependent Care Flexible Spending Account. When any of these events take place, a change may be made to your election.

5. You are served with a judgment, decree or court order, including a Qualified Medical Child Support Order ("QMCSO") regarding coverage for a dependent. If the order requires you to pay for medical expenses not paid by insurance for a dependent child, then you may add or increase coverage under the Health Care Flexible Spending Account Plan. If the order requires that another person pay for medical expenses not paid by insurance for the dependent child, then you may drop or reduce coverage under the Health Care Flexible Spending Account Plan.
6. If you, your spouse, or a dependent become entitled to coverage under Medicare or Medicaid, you may drop or reduce coverage under the Health Care Flexible Spending Account Plan.
7. If you, your spouse, or a dependent lose eligibility and coverage under Medicare or Medicaid, you may add or increase coverage under the Health Care Flexible Spending Account Plan.

Events 8 - 10 apply only to the Dependent Care Flexible Spending Account. If any of the following events take place, a change may be made to your election.

8. You may change your election to correspond with a change made under another employer-sponsored plan as long as the change made under the other plan was permitted by IRS regulations or was made for a period of coverage that is different from the Wichita Public Schools Flexible

Spending Plan.

9. You change dependent care providers (including school or other free provider). You may make a corresponding change to your Dependent Care Flexible Spending Account and your future salary reductions if you change dependent care providers.
10. You may make a corresponding change to your Dependent Care Flexible Spending Account and your future salary reductions if your dependent care provider who is not your relative changes your costs significantly. A relative is any person who is a child, parent, stepchild, sibling, aunt, uncle, cousin, or in-law of the participant.

The election change request must be filed within 30 days of the date of the qualifying event and becomes effective on the 1st of the month following the event and the approval of the request.

Q. WHAT IF I'M ALREADY IN THE WICHITA PUBLIC SCHOOLS FLEXIBLE SPENDING PLAN?

Participation in the Health Care Flexible Spending Account and the Dependent Care Flexible Spending Account terminates at the end of each Plan Year. You **MUST** re-enroll each year to continue your participation.

Q. WHEN DOES PARTICIPATION BEGIN?

After you satisfy the eligibility requirements described above (new Employees may enroll within 30 days of their eligibility date), you become a Participant by enrolling online at www.usd259.bswift.com. Enrollment will be available during the Open Enrollment Period. You must enroll within the time period specified in the enrollment materials. If you fail to enroll as required, you will be deemed to have elected cash and will not be able to elect any benefits under the Plan until the next Open Enrollment Period (unless a "Change in Election Event" occurs). Enrollment during the Plan Year is effective the 1st of the month following enrollment.

Q. WHAT IS THE "OPEN ENROLLMENT PERIOD" AND THE "PLAN YEAR"?

The Open Enrollment Period is the period prior to the beginning of the Plan Year during which you have an opportunity to elect to participate under the Plan. The open enrollment period for the 2019 plan year begins November 5, 2018 and ends on November 16, 2018.

You may choose to enroll in one or more of the benefits offered or to receive your entire Wichita Public Schools pay without these benefits.

The Plan Year is the 12 months beginning on each January 1 and ending on December 31 of the same calendar year.

Q. WHAT IF I DON'T USE ALL OF THE MONEY I ELECT IN THE HEALTH CARE FLEXIBLE SPENDING ACCOUNT OR THE DEPENDENT CARE FLEXIBLE SPENDING ACCOUNT?

ASI can help you estimate your allowable expenses for the Plan Year. However, if you do have funds remaining in any account at the end of the Plan Year, per IRS regulations, that amount will be lost by you and retained by Wichita Public Schools to help offset plan expenses. In the case of the Health Care Flexible Spending Account, any balance remaining under \$500 will be carried over into the next plan year, provided you are still employed by Wichita Public Schools.

Q. ARE THERE ANY NEGATIVES THAT I SHOULD KNOW ABOUT?

Yes, because you are not paying Social Security tax on that portion of your income that has been redirected, your Social Security benefits may be slightly reduced. However, if you invest your tax savings, in many cases you would have more money available at retirement than the benefit you would have received from the amount not paid into Social Security.

Expenses reimbursed by the Health Care Flexible Spending Account Plan may not be deducted on your individual income tax return. Likewise, expenses deducted on your income tax return may not be filed for reimbursement through your Health Care Flexible Spending Account.

Additionally, participation in the Dependent Care Flexible Spending Account Plan is an alternative to taking a "Tax Credit" allowed with your tax filing each year. You may receive a tax break on your expenses, but you must choose whether to use the "Tax Credit" or the Dependent Care Flexible Spending Account Plan. The IRS will not allow you to receive two tax breaks on the same expenses.

Q. WHEN WILL MY PARTICIPATION IN THE PLAN END?

Your participation will end when you terminate employment with Wichita Public Schools. This means you will no longer be able to make contributions to the Plan. If you return to work within 30 days during the same Plan Year, your participation will be reinstated as it was. You will have the option of reinstating your coverage at the same annual level you had prior to your termination or reinstating your coverage at the same per pay period amount with a reduced annual amount. If you choose the same annual amount, your per pay period contributions will be adjusted so that your total contributions for the year will equal your annual coverage amount. If you return to work after 30 days during the same Plan Year, you may make a new election for the remainder of the Plan Year. Except as specified in the section on Coverage Continuation (COBRA) in the Health Care Flexible Spending Account Plan Summary, expenses incurred while you are not a participant will not qualify for reimbursement. You may continue to file for Dependent Care Expenses incurred during the Plan Year after the end of your participation. Your participation will also end at the end of the expiration of the Period of Coverage, if the Plan is terminated, or if you file a false or fraudulent claim for benefits.

Your coverage in the FSA program will end (except as specified in the section on Coverage Continuation) on the last day of the month in which you were last employed. E.g. if your last day of employment is March 5th, your coverage will end March 31st, unless you elect to continue your coverage.

Q. WHAT IF I GO ON FMLA?

If you go on FMLA then you can maintain your Health Care Flexible Spending Account but not your Dependent Care Flexible Spending Account. Please refer to the FMLA paragraph in the Health Care Flexible Spending Account Plan Summary. If your Health Care Flexible Spending Account or Dependent Care Flexible Spending Account coverage ends while you are on FMLA leave for any reason (including for non-payment of deductions), then you may re-enter the Health Care Flexible Spending Account Plan or the Dependent Care Flexible Spending Account Plan upon return from FMLA on the same basis as you were participating prior to the leave.

When you return from FMLA leave, you may elect whether to be reinstated in the Health Care Flexible Spending Account or the Dependent Care Flexible Spending Account with the same annual total as in effect before the FMLA leave (with increased deductions for the remaining period of coverage) or at a lower annual total coverage level for the period of FMLA leave during which you did not have payroll deductions. If you elect a lower annual coverage amount, the amount withheld from your paychecks for the purpose of paying for your Health Care Flexible Spending Account or your Dependent Care Flexible Spending Account will be the same as the amount withheld before your FMLA leave.

Check ASI's website www.asiflex.com. You can email ASI at asi@asiflex.com or call ASI toll free at 1-800-659-3035. A representative is available from 7 a.m. to 7 p.m. Central time.

Valid Health Care Flexible Spending Account claims will be paid on the day processed up to your annual election less prior payments. Valid dependent care claims will be paid on the day processed up to the balance in your Dependent Care Flexible Spending Account. Any excess dependent care claim will be paid as

contributions are received from payroll. If there is a problem with your claim, ASI will notify you on the day the claim is processed either by U.S. Mail or by email.

Q. WHAT HAPPENS IF MY CLAIM FOR REIMBURSEMENT IS DENIED IN WHOLE OR IN PART?

The Administrator will provide written notice of any extension, including the reasons for the extension and the date by which a decision by the Administrator is expected to be made. When a claim is incomplete, the extension notice will also specifically describe the information required. If your claim is denied in whole or part, you (or your authorized representative) may request review upon written application to the Committee (the Benefits Committee that acts on behalf of the Administrator with respect to appeals). Your **appeal must be made in writing within 30 days** of your receipt of the notice that the claim was denied. If you do not appeal on time, you will lose the right to appeal the denial and the right to file suit in court. Your written appeal should state the reasons that you feel your claim should not have been denied. It should include any additional facts and/or documentation that you feel supports your claim. You will have the opportunity to ask additional questions and make written comments. You may review (upon request and at no charge) documents and other information relevant to your appeal.

Your appeal will be reviewed and decided by the Committee in a reasonable time no later than 60 days after the Committee receives your request for review. The Committee may, in its sole discretion, hold a hearing on the denied claim. Any medical expert consulted in connection with your appeal will be different from and not subordinate to any expert consulted in connection with the initial claim denial. The identity of the medical expert consulted in connection with your appeal will be provided. If the decision on review affirms the initial denial of your claim, you will be furnished with a notice of adverse benefit determination on review setting forth:

- (a) The specific reason(s) for the decision on review;
- (b) The specific Plan provision(s) on which the decision is based;
- (c) A statement of your right to review relevant documents and other information (upon request and at no charge); if an "internal rule, guideline, protocol, or other similar criterion" is relied on in making the decision on review, a description of the specific rule, guideline, protocol, or other similar criterion or a statement that such a rule, guideline, protocol, or other similar criterion was relied on. A copy of such rule, guideline, protocol, or other criterion will be provided free of charge to you upon request.

Q. IS DIRECT DEPOSIT AVAILABLE?

Yes. You may have your claims payments sent directly to your checking, money market or savings account. ASI will send a notice of each payment to you. ASI can send this notice via email, if you prefer. Email and direct deposit provide you with the fastest, safest payment method, as well as the fastest notification method.

- You may pay for coverage during your leave by making payments directly to the Plan each month.

Newborns and Mothers Health Protection Act of 1996

Group health plans and health insurance issuers generally may not, under federal law, restrict benefits for any hospital length of stay in connection with childbirth for the mother or newborn child to less than 48 hours following a vaginal delivery, or less than 96 hours following a cesarean section. However, federal law generally does not prohibit the mother’s or newborn’s attending provider, after consulting with the mother, from discharging the mother or her newborn earlier than 48 hours (or 96 hours, as applicable). In any case, plans and issuers may not, under federal law, require that a provider obtain authorization from the Plan or the issuer for prescribing a length of stay not in excess of 48 hours (or 96 hours).

Women’s Health and Cancer Rights Act of 1998:

DEPENDENT CARE FLEXIBLE SPENDING ACCOUNT PLAN SUMMARY

The Dependent Care Flexible Spending Account Plan is intended to qualify as a “dependent care assistance program” under Code §129, and the Dependent Care Expenses reimbursed are intended to be eligible for exclusion from participating Employees’ gross income under Code §129(a).

You can elect to participate in the Dependent Care Flexible Spending Account Plan by electing:

- (a) To receive benefits in the form of reimbursements for Dependent Care Expenses (Dependent Care Flexible Spending Account); and
- (b) To pay the contribution for the Dependent Care Flexible Spending Account on a pre-tax salary reduction basis.

STEPS TO PARTICIPATE IN THE DEPENDENT CARE FLEXIBLE SPENDING ACCOUNT PLAN:

1. **Estimate your total Dependent Care Expenses for the Plan Year.** Include predictable expenses only.
2. **Enroll in the Dependent Care Flexible Spending Account Plan.** Divide your estimate by the number of paychecks you expect to receive during the Plan Year. You enroll online during the Annual Enrollment Period.
3. **Receive dependent care services.** Dependent Care expenses are **incurred** when the day care is provided. You must receive the dependent care services before you file a claim for those services.
4. **File claims.** After you have received the dependent care services, you may submit a claim for those expenses to ASI.
5. **Receive reimbursements.** ASI will review your claim, and if approved will reimburse you within one day of their receipt of your claim up to the amount you have on deposit in your account. If your claim exceeds your available funds, the difference will be recorded and paid as funds become available from payroll.

IMPORTANT DEPENDENT CARE FLEXIBLE SPENDING ACCOUNT PLAN INFORMATION

Annual Maximum \$5,000.00 **Annual Minimum** \$100.00

You and your spouse together may include up to \$5,000.00 per year (\$2,500 in the case of a married individual filing a separate tax return for the Plan Year) or the lesser of your (after subtracting all FSA deductions) or your spouse’s earned income for the Plan Year. In the case of a spouse who is a full-time student at an educational institution or is physically or mentally incapable of caring for himself or herself, such spouse shall be deemed to have earned income of \$250 per month if you have one dependent and \$500 per month if you have two or more dependents.

A Qualifying Individual is your dependent who is under the age of 13 who lives with you at least one half of the year or your spouse or an older dependent who is mentally or physically incapable of self-care who resides with the you for more than one half of the year and is a qualifying child or relative under Section 152 of the Code. The child of a divorced or separated employee is treated as a qualifying individual of the custodial parent irrespective of who claims the dependency exemption if such child is in the custody of one or both parents for more than half of the calendar year. The child is treated as having been in the custody of the parent who had custody for the greater portion of that year. If the child was not in the custody of one or both parents for more than half of the calendar year, then neither parent can be considered the custodial parent.

A Qualified Provider can provide care in your home or outside your home. If the care is provided outside your home and the facility cares for more than 5 individuals, then it must be licensed by the State. The expenses **may not** be paid to your spouse, a child of yours who is under the age of 19 at the end of the year in which the expenses are incurred, or to an individual for whom you or your spouse is entitled to a personal tax exemption as a dependent.

The Dependent Care Flexible Spending Account is an alternative to taking a “tax credit” allowed with your tax filing each year. You may receive a tax break on your expenses, but you must choose whether to use the “Tax Credit” or the Dependent Care Flexible Spending Account. The IRS will not allow you to receive two tax breaks on the same expenses.

- A **Tax Credit** is allowed for child/Dependent Care expenses of up to \$6,000 per year for two or more dependents (\$3,000 per year for one dependent). You can file for the “tax credit” on your annual tax return, at the end of the year. The credit is an amount equal to your Dependent Care expenses multiplied by a percentage determined by your combined adjusted gross income. The percentage decreases from a high of 35% to a low of 20% as your income increases.
- The **Dependent Care Flexible Spending Account Plan** allows a tax break on up to \$5,000 per year, \$2,500 if married filing separately, for any number of dependents; one, two, or more. You will experience “tax savings” throughout the year with every paycheck you receive. Employees who pay federal taxes of 15%, state taxes of approximately 6% and Social Security taxes of 7.65% would save around 28% of expenses through the Dependent Care Flexible Spending Account. As their federal tax percentage rises, they would receive an even higher tax break by using the Dependent Care Flexible Spending Account.

Generally those employees with a combined family income over \$31,000 would have a higher percentage tax break through the Dependent Care Flexible Spending Account. Those employees with a combined income under \$31,000 generally would receive a higher percentage tax break utilizing the tax credit. Please contact your tax advisor if you have questions about which is best for you.

You are required to file Schedule 2 with your IRS Form 1040A or Form 2441 with your IRS Form 1040 to support the amount redirected for the calendar year. Please note that this is for informational purposes. You will not pay taxes on the redirected amount. Payments made to you under this category are not taxable, but the amount redirected will appear on your W-2 form. This will inform the IRS that you have received a tax break on that expense through your Dependent Care Flexible Spending Account.

Qualifying Dependent Care Expenses

Qualifying Child/Dependent Care expenses are those that you incur in order for you and your spouse (if married) to be gainfully employed that are considered to be employment-related expenses under Internal Revenue Code §21(b)(2) to the extent that you or another person (if any) incurring the expense is not reimbursed for the expense through any other Plan. Only expenses incurred for care and well-being qualify for this tax break (kindergarten, education related sports camps, summer school and private school expenses, food and transportation do not). Day camp fees incurred in order for you to work are allowable but overnight camps are not. Refer to IRS Publication 503 for additional information. You can access this publication from ASI’s website. The purpose of Publication 503 is to assist people with their income tax filing. It does not address Dependent Care Flexible Spending Accounts. However, most of the items listed as eligible for the tax credit in Publication 503 can be claimed through your Dependent Care Flexible Spending Account. **You can only claim expenses based on the date incurred (not paid as stated in Publication 503)**. Please contact ASI at asi@asiflex.com, (800) 659-3035 if you have any questions regarding particular expenses.

Qualifying Expenses are those that enable you to be gainfully employed including:

- Day-care centers
- Day camps
- Babysitters
- Nannies

This is a partial list of items that do not qualify under the Plan. There may be other items that do not qualify that are not listed here.

Allowable expenses must be **incurred** during the portion of the Plan Year that you are a participant. Claims must be filed by March 31st following the end of the Plan Year. If March 31st is a holiday, Saturday, or Sunday, then claims must be filed by the first business day following March 31st.

- (a) The provider's name;**
- (b) The date(s) of service;**
- (c) A description of the service(s); and**
- (d) The expense amount.**

Copies of personal checks and paid receipts, without the above information, **are not** acceptable. Documentation or copies will not be returned. For over-the-counter items, the receipt or documentation from the store must include the name of the drug printed on the receipt. You must indicate the existing or imminent medical condition (items such as vitamins and nutritional supplements may require a physician's statement) for which the item will be used on the receipt, on the claim form, or on a separate enclosed statement each time these items are claimed. Over-the-counter medicines require a prescription from a medical doctor to be accepted. Prior to January 1, 2011, you were able to purchase over-the-counter items, such as pain relievers, cold and flu medications, etc. without a prescription. Purchase of items such as these

will be denied unless a prescription is on file from a medical doctor. Purchases for general good health will not be accepted. You may obtain claim forms at www.asiflex.com.

You may have the dependent care provider complete the dependent care section of the claim form and sign on the line provided in lieu of providing the above documentation for dependent care claims.

The tax identification number or Social Security number of the child/dependent care provider should be listed on each of your claim forms. You must provide this number with your federal income tax return. Please check with your childcare provider (**before** enrolling in this category) to be sure that you are able to obtain their tax I.D. number or his/her Social Security number.

Orthodontic expenses may be assumed to be incurred at the time a monthly payment is due and paid. These monthly payments must be spread out evenly over the expected period of orthodontic treatment. Claims submitted for orthodontic payments that meet the above are allowable. You may also submit a claim for a reasonable down payment of the orthodontic treatment if the down payment is made at the time the appliances are placed. Claims for payments made prior to being due or that otherwise do not meet the above requirements will not be processed. Claims for the entire fee paid at the beginning of treatment will not be processed, nor will claims for an entire year's payments made at the beginning of the year be processed. To claim orthodontic down payments, you must include a copy of the treatment contract and payment schedule along with proof of payment or a receipt of payment stating the date the braces were placed.

Payment from your Health Care Flexible Spending Account for expenses incurred during the Plan Year will be made up to the approved amount of your claim or your remaining annual election, whichever is less. Payment is not limited to the amount in your account at the time of your claim. Your monthly contributions will continue for the remainder of the Plan Year.

Payment from your Dependent Care Flexible Spending Account will be made up to the approved amount of your claim or your current balance, whichever is less. Any portion of your claim which is not paid will be paid automatically as money is contributed from payroll. Total payments for the year are restricted to your annual election.

Direct deposit into the bank account of your choice is available for your claim payments. By using direct deposit you will not need to wait for a check to arrive and to deposit it yourself. A notice that a payment was made will be sent to you. This direct deposit notice is available by U.S. Mail or by email. If you prefer, a check can be mailed to you instead of payment by direct deposit.

Email notice If you choose direct deposit, ASI can send your notices of payment directly to your email account.

The employer Wichita Public Schools
903 S. Edgemoor St.
Wichita, KS 67202

Named Fiduciary Wichita Public Schools

The name of the Plan is The Wichita Public Schools Flexible Spending Plan. The Plan Number is 501. The provisions of the Plan became effective on January 1, 1995. The Plan is intended to last indefinitely. However, the employer retains the right to amend or terminate the Plan at any time for any reason. Wichita Public Schools's federal employee tax identification number (EIN) is 48-6000351.

The agent for Service of Legal Process is the Plan Administrator.

The benefit Plan Year is the twelve-month period from January 1 through December 31 of the same calendar year.

Although reprinted within this document, the Health Care Flexible Spending Account Plan and the Dependent Care Flexible Spending Account Plan are separate plans for purposes of administration and all reporting and nondiscrimination requirements imposed by Code §105 and 129. The Health Care Flexible Spending Account Plan is a separate plan for purposes of applicable provisions of COBRA and ERISA.

The Health Care Flexible Spending Account Plan and the Dependent Care Flexible Spending Account Plan are entirely funded by Employee salary reductions. However, for the purposes of the Plans and the Internal Revenue Code they are considered employer contributions. All of the amounts payable under this Plan shall be paid from the general assets of the employer. Neither Wichita Public Schools nor the Administrator (if other than Wichita Public Schools) will maintain any fund or segregate any amount from general assets for the benefit of any Participant, and no Participant or other person shall have any claim against, right to, or security or other interest in any fund, account or asset of Wichita Public Schools from which any payment under this Plan may be made. There is no trust or other fund from which benefits are paid. While Wichita Public Schools has complete responsibility for the payment of benefits out of its general assets, it may hire an unrelated third party firm to make benefit payments on its behalf. The maximum contribution that may be made under this Plan for a Participant is the total of the maximums that may be elected as employer and Participant contributions for benefits, and as described in the Health Care Flexible Spending Account Plan Summary and Dependent Care Flexible Spending Account Plan Summary sections.

Wichita Public Schools has hired ASI to perform certain administrative functions for the Plan. ASI processes all claims for the Health Care Flexible Spending Account and the Dependent Care Flexible Spending Account. If you have any questions concerning claims, please contact ASI, P. O. Box 6044, Columbia, MO 65205, 800-659-3035, email: asi@asiflex.com, on-line at www.asiflex.com.

It is intended that this Plan meet all applicable requirements of the Code, ERISA and other federal regulations. In the event of any conflict between this Plan and the Code, ERISA or other federal regulations, the provisions of the Code, ERISA and the federal regulations shall be deemed controlling, and any conflicting part of this Plan shall be deemed superseded to the extent of the conflict.

ERISA Rights

Wichita Public Schools Flexible Spending Plan is not an ERISA welfare benefit plan under the Employee Retirement Income Security Act of 1974 (ERISA). However, the Health Care Reimbursement Plan Component is governed by ERISA. As a Participant in an ERISA-covered benefit plan, you are entitled to certain rights and protections under ERISA.

Your Rights. As a participant in the Plan you are entitled to certain rights and protections under the Employee Retirement Income Security Act of 1974 (ERISA). ERISA provides that all participants shall be entitled to:

- Examine, without charge, at the Administrator's office and at other specified locations, such as worksites, all documents governing the plan, including insurance contracts, and a copy of the latest annual report (Form 5500 Series), if any, filed by the plan with the U.S. Department of Labor and available at the Public Disclosure Room of the Employee Benefits Security Administration.
- Obtain, upon written request to the Administrator, copies of documents governing the operation of the plan, including insurance contracts and collective bargaining agreements, and copies of the latest annual report (Form 5500 Series) and updated summary plan description. The administrator may make a reasonable charge for the copies.
- Receive a summary of the Plan's annual financial report, if any. The Administrator is required by law to furnish each participant with a copy of this summary annual report (if any). There is no annual financial report for the Health Care Reimbursement Plan.

Prudent Action by Plan Fiduciaries. In addition to creating rights for plan participants ERISA imposes duties upon the people who are responsible for the operation of the employee benefit plan. The people who operate your plan, called fiduciaries of the plan, have a duty to do so prudently and in the interest of you and other plan participants and beneficiaries. No one, including your employer or any other person, may fire you or otherwise discriminate against you in any way to prevent you from obtaining a plan benefit or exercising your rights under ERISA.

Enforce Your Rights. If your claim for a benefit is denied or ignored, in whole or in part, you have a right to know why this was done, to obtain copies of documents relating to the decision without charge, and to appeal any denial, all within certain time schedules. Under ERISA, there are steps you can take to enforce the above rights. For instance, if you request a copy of plan documents or the latest annual report (if any) from the plan and do not receive them within 30 days, you may file suit in a federal court. In such a case, the court may require the Administrator to provide the materials and pay you up to \$110 a day until you receive the materials, unless the materials were not sent because of reasons beyond the control of the Administrator. If you have a claim for benefits which is denied or ignored, in whole or in part, you may file suit in a state or federal court. If it should happen that plan fiduciaries misuse the plan's money, or if you are discriminated against for asserting your rights, you may seek assistance from the U.S. Department of Labor, or you may file suit in a federal court. The court will decide who should pay court costs and legal fees. If you are successful the court may order the person you have sued to pay these costs and fees. If you lose, the court may order you to pay these costs and fees, for example, if it finds your claim is frivolous.

Assistance With Your Questions. If you have any questions about your plan, you should contact the Administrator. If you have any questions about this statement or about your rights under ERISA or HIPAA, or if you need assistance in obtaining documents from the Administrator, you should contact the nearest office of the Employee Benefits Security Administration, U.S. Department of Labor, listed in your telephone directory or the Division of Technical Assistance and Inquiries, Pension and Welfare Benefits Administration, U.S. Department of Labor, 200 Constitution Avenue N.W., Washington, D.C. 20210. You may also obtain certain publications about your rights and responsibilities under ERISA by calling the publications hotline of the Employee Benefits Security Administration.

If a claim for reimbursement under the Health Care Reimbursement Plan or Dependent Care Assistance Plan is wholly or partially denied, or you are denied a benefit under the Wichita Public Schools Flexible Spending Plan due to an issue germane to your coverage under the Wichita Public Schools Flexible Spending Plan (for example, a determination of: a Change in Status; or eligibility and participation matters under the Wichita Public Schools Flexible Spending Plan Document), then the claims procedure described below will apply.

If your claim is denied in whole or in part, the Administrator will notify you in writing within 30 days of the date the Administrator received your claim. (This time period may be extended for an additional 15 days for matters beyond the control of the Administrator, including in cases where a claim is incomplete. The Administrator will provide written notice of any extension, including the reasons for the extension and the date by which a decision by the Administrator is expected to be made. Where a claim is incomplete, the extension notice will also specifically describe the required information, will allow you at least 45 days from

receipt of the notice in which to provide the specified information, and will have the effect of suspending the time for a decision on your claim until the specified information is provided.) Notification of a denied claim will set out and will include:

- a) the specific reason or reasons for the denial;
- b) the specific Plan provision on which the denial is based;
- c) a description of any additional material or information necessary for you to validate the claim and an explanation of why such material or information is necessary;
- d) appropriate information on the steps to be taken if you wish to appeal the Administrator's decision, including your right to submit written comments and have them considered, your right to review (upon request and at no charge) relevant documents and other information, and your right to file suit under ERISA (where applicable) with respect to any adverse determination after appeal of your claim.

If your claim is denied in whole or part, you (or your authorized representative) may request review upon written application to the Committee (the Benefits Committee that acts on behalf of the Administrator with respect to appeals). Your **appeal must be made in writing within 180 days** of your receipt of the notice that the claim was denied. If you do not appeal on time, you will lose the right to appeal the denial and the right to file suit in court. Your written appeal should state the reasons that you feel your claim should not have been denied. It should include any additional facts and/or documents that you feel support your claim. You will have the opportunity to ask additional questions and make written comments, and you may review (upon request and at no charge) documents and other information relevant to your appeal.

Your appeal will be reviewed and decided by the Committee in a reasonable time not later than 60 days after the Committee receives your request for review. The Committee may, in its discretion, hold a hearing on the denied claim. Any medical expert consulted in connection with your appeal will be different from and not subordinate to any expert consulted in connection with the initial claim denial. The identity of a medical expert consulted in connection with your appeal will be provided. If the decision on review affirms the initial denial of your claim, you will be furnished with a notice of adverse benefit determination on review setting forth:

- a) the specific reason(s) for the decision on review;
- b) the specific Plan provision(s) on which the decision is based
- c) a statement of your right to review (upon request and at no charge) relevant documents and other information; if an "internal rule, guideline, protocol, or other similar criterion" is relied on in making the decision on review, a description of the specific rule, guideline, protocol, or other similar criterion or a statement that such a rule, guideline, protocol, or other similar criterion was relied on and that a copy of such rule, guideline, protocol, or other criterion will be provided free of charge to you upon request; and
- d) a statement of your right to bring suit under ERISA § 502(a) (where applicable).
