Benefit Information

Wichita Public Schools USD 259 (hereinafter, “Employer”) has selected EyeMed Vision Care, LLC (“EyeMed”) to arrange for a vision care benefit (the “Benefit”). The Benefit provides coverage for routine vision exams, as well as eyeglasses and contact lenses.

This Summary reflects the Benefit that will be in effect beginning January 1, 2020. As issues arise which are not specifically addressed in this Summary, the Claims Administrator will review whether coverage for such services will be included as a covered service under the Benefit.

Employer has delegated the responsibility of its claims determinations under the Benefit to First American Administrators, Inc., (“FAA”), a wholly-owned subsidiary of EyeMed. FAA has the discretionary authority to decide claims and appeals, including the authority to interpret the relevant provisions of the Benefit and the authority to grant and/or deny any and all claims for the vision Benefits.

This Summary is based on the official Benefit documents. If there is a disagreement between the information contained in this Summary and the official Benefit documents, the Benefit documents will govern. This Summary describes the current vision Benefit. Except as

prohibited by law, or by the terms of a collective bargaining agreement, Employer may amend or terminate the Benefit.

This Summary does not address Benefit eligibility. Eligibility decisions are solely and exclusively determined by Employer.

The EyeMed Network

EyeMed's network of providers includes private practitioners, as well as the nation's premier retailers, LensCrafters®, Sears Optical, Target Optical, JCPenney Optical and most Pearle Vision locations. To locate EyeMed Vision Care providers near you, visit www.eyemed.com and choose the **Insight Network**. You may also call EyeMed's Customer Care Center at **1-844-800-5457**. EyeMed's Customer Care Center can be reached Monday through Saturday 6:30 am to 10:00 pm CST and Sunday 10:00 am to 7:00 pm CST.

Using In-Network Providers

When making an appointment with the provider of your choice, identify yourself as an EyeMed member and provide your name and the name of your organization or Benefit number, located on the front of your ID card. Confirm the provider is an in-network provider for the Network. While your ID card is not necessary to receive services, it is helpful to present your EyeMed Vision Care ID card to identify you as a Plan member.

When you receive services at a participating EyeMed Network Provider, the provider will file your claim. You will have to pay the cost of any services or eyewear that exceeds any allowances, and any applicable co-payments. You will also owe state tax, if applicable, and the cost of non-covered expenses (for example, vision perception training).

Using Out-of-Network Providers

If you receive an eye exam from an out-of-network Provider, you will pay for the full cost at the point of service. You will be reimbursed up to the maximums as outlined in the Summary of Vision Care Services. To receive your out-of-network reimbursement, complete and sign an out-of-network claim form, attach your itemized receipts and send to:

FAA/EyeMed Vision Care
Attn: OON Claims
P.O. Box 8504
Mason, OH 45040-7111

For your convenience, a FAA/EyeMed out-of-network claim can be completed online. Please [click here](#).

You may also print a claim form and email it to us at oonclaims@eyemed.com or call the EyeMed's Customer Care Center at **1-866-800-5457**.

Retinal Imaging Benefit

Savings on Laser Vision Correction

EyeMed Vision Care, in connection with the U.S. Laser Network, owned and operated by LCA Vision, offers discounts to you for LASIK and PRK. You receive a discount when using a network provider in the U.S. Laser Network. The U.S. Laser Network offers many locations nationwide. For additional information or to locate a network provider, visit www.eyemedlasik.com or call **1-877-5LASER6**.

After you have located a U.S. Laser Network provider, you should contact the provider, identify yourself as an EyeMed member and schedule a consultation to determine if you are a good candidate for laser vision correction. If you are a good candidate and schedule treatment, you must call the U.S. Laser Network again at **1-877-5LASER6** to activate the discount.

At the time treatment is scheduled, you will be responsible for an initial refundable deposit to the U.S. Laser Network. Upon receipt of the deposit, and prior to treatment, the U.S. Laser Network will issue an authorization number to your provider. Once you receive treatment, the deposit will be deducted from the total cost of the treatment. On the day of treatment, you must pay or arrange to pay the remaining balance of the fee. Should you decide against the treatment, the deposit will be refunded.

You are responsible for scheduling any required follow-up visits with the U.S. Laser network provider to ensure the best results from your laser vision correction procedure.
