IF YOU HAVE FINISHED ALL THE ITEMS ABOVE...

- Preview your profile and make edits if needed. **Share your profile with a parent or guardian.** 
- Review your saved college, career, and majors. Are there any that you want to add or remove?
- **Explore new colleges and majors.** Based on your GPA and ACT scores, which schools can you apply to? Do the colleges you are interested in offer your desired major?

SENIORS

Once you are finished with your Xello profile, save it to a location you will be able to access after graduation (Google drive, your flash drive, etc.). Your Xello information can be helpful when applying for jobs, scholarships, colleges, or educational training programs.
