

Wichita North High School  
Personal Items Retrieval Plan  
Monday, March 30 and Tuesday, March 31, 2020  
8:00 – 10:00am  
Door # 1 Main Entrance

Good Evening, this is Principal Doyle – due to Sedgwick County’s stay at home order, access to schools for pick-up of **critical** or **essential** personal items which are needed for **immediate use** will be extremely limited to the schedule below. Rest assure that North High staff will not remove any personal items from hall lockers or gym lockers during the school closure order by Governor Kelly. We respectfully request that if you absolutely do not need your personal items at this time to please stay home. We must follow the 6ft guideline for social distancing and the maximum of 10 people in an immediate area. Students will be provided a pair of gloves and disinfectant wipes upon entry into the building. Students are to retrieve items as quickly as possible and exit the building. For the safety of self and others in the building, please do not come if you are sick or if you meet the guidelines for self-quarantine. Mr. Kaspar has contacted the Band and Orchestra students regarding the procedure for picking up instruments. If you choose to leave your instrument at North, we will secure them in the classroom as well. If you have questions, please contact the school.  
Thank you for your support!
