

Wichita High School East

Technology Services

Students,

You are receiving this because you or your parent/guardian indicated during enrollment that you did not have high-speed Internet at home. We have partnered with Verizon and Digital Promise to provide high-speed internet at home to students who do not currently have it. A few rules:

1. These hotspots are only for school-related work, not for personal use.
2. You are limited to 30 GB of data per month.
3. Please do not connect other devices to the hotspots.
4. Do not remove the SIM card.
5. Only use the device within the 50 states of the USA.
6. If you lose your device or the charging cable/adaptor, report it to us immediately.
7. If the device no longer works, report it to us immediately.
8. Verizon reserves the right to terminate service at any time.
9. Be kind in your online interactions and take good care of this hotspot. You will have to return it to East High at the end of the year or if you exit East to attend another school.

To check out a hotspot, please use the QR codes in the flyer or the links below to fill out the parent and student agreements. Then sign up for a time to check out a hotspot with Mr. Buesch in the Commons, C207.

Note: it takes about 3 hours for us to verify the results of your signed agreements, so it's best to sign up for a time on the next day.

1. Parent Agreement: <https://bit.ly/ehsvilsparent>
2. Student Agreement: <https://bit.ly/ehsvilsstudent>
3. Sign up for Checkout Time: <https://bit.ly/ehsbookings>

Thank you!
