

School Age Programs (Latchkey)

WHAT: A School-Age Program (SAP) is a before and after-school program often referred to as Latchkey which gives students time to have fun and enjoy friends while under the supervision of caring adults. The program is tailored to meet the developmental characteristics and needs of each individual child. Certified teachers direct the USD 259 district programs. Our district programs along with Kid Care Connection, Park Board and YMCA programs follow the Kansas Department of Health and Environment guidelines and are Licensed Child Care facilities by KDHE.

Who: Children must be 5 to 12 years of age. 5 year olds must be enrolled in kindergarten. Enrollment is first come/first served. Staffing is based on a 1 to 15 ratio. Wait lists are maintained at each site.

WHEN: USD259 programs are open on days school is in session. Check with your individual site for exact times. Most sites run approximately two hours before and after school. Summer programs are available at some sites. (Summer field trips and activities will require additional fees)

COST: All USD259 prices are the same.

- A non-refundable registration fee is paid at the time of enrollment.
- A minimum of 2 specific set days per week is required and charged regardless of attendance. Contracted days cannot be traded.
- Attendance on a non-contracted day of the week will be charged at the end of the week as Extra Hours.
- Daily rates are based on the number of hours contracted per day. Daily hours may be split between am and pm.
- The third and each additional child in each family attending will pay ½ price of all contracted hours. Registration is not half price.
- Payment for the week is due at the beginning of the week. A \$5 late payment is charged on a balance due the last school day of the week.
- Late pickup of your child after closing will result in a charge of \$1 per minute per child.
- We are a DCF Provider. Parents may apply for DCF assistance.
