

High School Articulation Agreement 2016/2017

THIS AGREEMENT, by and between USD 259-Wichita and Butler Community College, is made in order to provide High School students the option to earn an Associate of Applied Science Degree, a Certificate, an Associates of Arts in Mass Communication, or Elementary or Secondary Education, or an Associates of Science in Elementary or Secondary Education.

THEREFORE, it is agreed by and between the parties as follows:

- Any party may advertise the program and/or advise students that this option is available.
- USD 259-Wichita will supply all of the courses and competencies with no exchange of reimbursement between or among the institutions.
- Credit may only be applied toward a certificate program, an Associates of Applied Science program, or an Associates of Arts or Sciences program identified above. Credits are not intended for transfer to a baccalaureate institution. Students will need to verify transferability with the baccalaureate receiving institution.
- This agreement will be in effect from the graduation date of the student through a date not to exceed 15 months after high school graduation.
- Students must successfully complete the competencies in the high school articulated course(s) with a final grade of 'C' or better to qualify for college credit. High school transcripts must be submitted with the articulation credit application.
- The high school articulated courses will be reported on the college transcript upon completion of the articulation credit application and review of high school transcript. Students will receive CP (Credit Pending) college credit for the approved high school articulated course work until 12 credit hours have been earned at Butler Community College. After 12 hours have been earned the student must notify the Registrar's Office to have the CP changed to CR (Credit Received).
- *High school students qualifying for tuition assistance through the Kansas CTE Initiative may submit a completed articulation credit application and high school transcript for special processing prior to graduation. Upon approval, articulated credit will be posted directly to the student transcript at Butler Community College as Credit Received (CR).*
- This Agreement may be revised by mutual agreement and shall be modified in the event of cancellation, discontinuance or disapproval of any course or program by the Kansas Board of Regents.
- This agreement will be reviewed annually for possible changes, improvement, or enhancements.
- This agreement does not guarantee admittance to a college or a program.
